## We take **you** and your **career** *to a whole new place . . .*

You've worked hard to get your healthcare career where it is today. Your work goes far beyond just a job... it's your calling, your passion. You love what you do and you know you're great at it. So why not mix your professional life with your traveling dreams?

We can help you make the right decisions. We're **Medical Connections**, an innovative healthcare recruitment and staffing company dedicated to satisfying the increasing demands for outstanding medical personnel.

As one of the fastest growing firms in our industry, we identify and connect healthcare professionals, from nurses, pharmacists, rehab therapy and allied health, with our roster

of prestigious clients throughout the country. From your first conversation with our Travel Recruiters to the start of your assignment, you'll discover that **Medical Connections** can offer you the travel career you've always dreamed of having.

**Do you thrive on new experiences?** If you love the adventure of exploring new places and meeting new people, then the life of a healthcare traveler is for you. And more importantly, if your goals include expanding your professional skills, the traveler's life is a great choice for you – and your career.

## The traveler's life - a great option for **you** and your **career**

You'll soon discover – or maybe you already have – that choosing to become a healthcare traveler is one of the best decisions you may ever make. You've always wanted to experience new opportunities and discover new places, and traveling gives you the freedom to set your own pace and make your own choices.

**Making a difference – for others and for yourself.** As a top-notch healthcare pro, you want far more than just traveling. You want a career that will make a difference in your patients' lives and your own.

**Medical Connections** can connect you with exactly what you're looking for. Whether you opt for a new life near a tropical beach, in the shadow of a mountain, in a dynamic city or a friendly town, **Medical Connections** is **your connection** to the career experience you have always wanted.

So where do you want to take your healthcare career? Leave it to **Medical Connections** to take you above and beyond your expectations.

## When you become a healthcare traveler with **Medical Connections**, *it's all about you*

As a healthcare traveler with Medical Connections, you will receive a customized package of pay and benefits that is among the best in the healthcare industry.

**Your time has come – time to stop worrying and start enjoying!** Your first step starts when you talk with our experienced recruiters... their knowledge about the market is unparalleled. Just describe your dream job, and they'll work with you to find it.

**But wait...there's more.** Not only will our team match you to the positions and locations you're looking for...we will also:

- ▶ Custom-build a unique benefits package tailored to your individual needs,
- ▶ Arrange interviews, and
- ▶ Field calls from prospective employers.

**We know it's a big step. Not to worry.** Take a temporary travel assignment anywhere you want to relocate to and see if it is a good fit – without any long-term commitment! If it's not the right fit or the right setting for you, we'll place you in a different facility in the same area.

From the day you make your first contact with the Medical Connections team, our focus will be on connecting you with the experiences and benefits that best fit your goals and dreams.

So what are you waiting for? Your traveling career is just one step away.

As a traveler with Medical Connections, you're **our employee**, a privilege that gives you the opportunity to choose from some of the best benefits in the industry, including:

# Frequently Asked Questions

**Q:** *Can I travel with family, friends or pets as a traveler with Medical Connections?*

**A:** Absolutely! Medical Connections will secure housing that meets your personal lifestyle needs. Traveling with friends and family is easy...just tell us who you'll be traveling with and we take care of the rest.

**Q:** *Can you get both me and my spouse/partner traveling healthcare jobs at the same location if we're both qualified? How do we approach this?*

**A:** We frequently arrange travel assignments for working spouses. Simply let your Travel Recruiter know your needs up front.

**Q:** *In what types of facilities are traveling positions available?*

**A:** Medical Connections places healthcare professionals at teaching facilities, outpatient centers, city and rural hospitals, clinics, skilled nursing facilities and schools.

**Q:** *How long can I continue to accept travel jobs... to keep traveling?*

**A:** Some candidates take a travel job just once for the experience or to relocate to a different part of the country, but the majority of our travelers find the career opportunities and the travel lifestyle so rewarding that they choose to keep traveling for years. The great part is that it's all up to you!

**Q:** *Why do healthcare professionals choose travel jobs?*

**A:** Traveling with Medical Connections allows you to explore new places, work in major facilities and enjoy the flexibility of having time off between assignments as needed. Also, Medical Connections' benefits, salary and compensation are better than those of most permanent jobs.

**Q:** *What if I have a work-related emergency while I'm traveling?*

**A:** You can reach Medical Connections 24 hours a day, 7 days a week. Rest assured, that no matter your location or the time of day, our on-call staff is ready and able to assist you in any situation. Our Clinical Coordinator is always available to be your advocate should you ever need clinical advice.

**Q:** *What happens at the end of my travel assignment with Medical Connections?*

**A:** Your Personal Recruiter will work with you continuously throughout your travel assignment, giving you options and information to gain the best traveling and professional experience. You may choose to stay in the same facility and extend your contract, or you may opt to travel to a new location and meet new people in a new position. Whatever your plans involve, Medical Connections is here to make your adventure satisfying and exciting.
